5th NATIONAL CONFERENCE ON ADVANCEMENT IN EMERGING TECHNOLOGIES

NCAET -2018 (15th MARCH 2018)

Organized by

Department of Electronics and
Communication Engineering
**Meenakshi Sundararajan Engineering
College**
Chennai - 600024

ABOUT THE INSTITUTION:

Meenakshi Sundararajan Engineering College (MSEC) is a part of the prestigious KRS Group of Institutions which also includes the renowned IJET (Indian Institute of Engineering Technology) established in 1947 by our Founder Late Shri K.R.Sundararajan. The college was established in July 2001 by the dedicated efforts of Dr.K.S.Lakshmi and Dr.K.S.Babai, the illustrious daughters of our founder Shri K.R.Sundararajan. The management strives constantly to be a "Centre Of Excellence" that imparts education to students, grooming their overall personality face the challenges of the industry and the nation at large.

ABOUT THE DEPARTMENT:

The Department of Electronics and Communication Engineering was started in the year 2001 with the inception of the College. This twelve-year-old department shares the mission and vision of the Institute in imparting quality education to the students. The department has been efficacious in offering its students the opportunity to work on diverse platforms with eight well equipped laboratories with the latest hardware and software facilities sufficient to quench the thirst of budding engineers. Our alumni have brought laurels to the Institution by securing 35 university ranks so far. This conference on 15th March, 2018, being the 5th National Conference on Advancement in Emerging Technologies (NCAET), the department has also conducted an

International Multi-Disciplinary Conference on Solar Energy (IMDCSE) in 2012 , a National Conference on Recent trends in Electronics and Communication Engineering (NRIECE), an International Conference on VLSI and Communication Systems (ICVLSI COM-10) and various technical seminars, guest lectures and industrial visits every year to further enhance the students' knowledge.

Curiosity is the wick in the candle of learning.
William Arthur Ward

ABOUT THE CONFERENCE:

The aim of the conference is to help connect the dots that needs to be connected. The world appears increasingly complex, and to grab and develop the opportunities ahead we need a wider perspective. This conference provides an opportunity for students, experts from institutions and industries to discuss and share their experiences in the emerging recent trends of Electronics & Communication . This event is a forum to put forth various innovative research ideas of various domains in the electronics and communication field.
